

Sithney Parish Council Neighbourhood Plan Initial Meeting

**Tuesday 17th September 2019 – 7pm Sithney
School - All Welcome**

Sithney Parish Council is considering doing a Neighbourhood Development Plan for Sithney in order to ensure that the community can shape the future development of our area.

This is a real opportunity to have an active say in the future of Sithney Parish and we would like to know what you think.

What is a Neighbourhood Development Plan?

Neighbourhood Development Plans (NDP) can set out local level planning policies for that area, shaping future development.

Under the Localism Act 2011, Parish and Town Councils can write an NDP for their area with their community.

Subject to conforming to national policies, the Cornwall Local Plan strategic policies, an independent examination and gaining support through a referendum of residents, this plan would be adopted as a formal planning policy by Cornwall Council. This means that planning decisions in Sithney Parish would have to be made in accordance with the NDP.
